Dear Parents and Guardians of the Class of 2020:

The start of your scholar's senior year is just around the corner. There will be several events at Baystate Academy that will add to that excitement. This letter is to help you plan for senior year so that you can look forward to the events and requirements that are placed on seniors. First and foremost, our students must focus on three goals:

Graduation and College Planning

See Month-by-Month Senior Year College Application Timeline for more information regarding college applications. We have also included a copy of your student's transcript, so you can see their progress towards graduation. Students are required to have 40 hours of community service for graduation.

We know this is a busy year for you and your student with a lot of life-changing decisions to be made; however, we want to remind you to slow down and enjoy this year with your senior! As you can see there are plenty of opportunities in which you can participate and be a part of your student's senior year. If you should need any additional information, feel free to contact Dee Harrison or Megan Paul, Class of 2020 Advisors.

Sincerely,

Dee Harrison
